

Level 3 NVQ Diploma in Accessing Operations and Rigging (Construction) Scaffolding

The Level 3 NVQ Diploma in Accessing Operations and Rigging (Construction) Scaffolding and Offshore Scaffolding is aimed at qualified scaffolders wishing to attain a Level 3 qualification (Advanced).

To be eligible to apply for a CISRS Advanced Scaffolder card, candidates must have held a CISRS Scaffolder card for a minimum of 12 months and then successfully complete the following 3 elements of training;

1. CISRS Advanced Scaffolding course
2. Level 3 NVQ Diploma in Accessing Operations and Rigging (Construction) Scaffolding and Offshore Scaffolding.
(Minimum of 6 months Scaffold experience since completion of the advanced course)
3. CISRS 2 Day Skills Assessment

Aims and Objectives:

To gain a formal level 3 qualification and recognition of practical ability and competence recognised within the scaffolding industry.

Course Content:

Assessment is done through the process of generating and collecting work-based evidence from site in the form of a portfolio of evidence (photos, hand-over certificates, risk assessments etc). Our assessor will make a judgment against specified performance criteria as to whether an individual is able to demonstrate competence in the following areas:

- Conforming to general Health, Safety and Welfare in the workplace
- Confirming work activities and resources for an occupational work area in the workplace
- Developing and maintaining good occupational working relationships in the workplace
- Confirming the Occupational Method of Work in the Workplace
- Erecting Specialised Design Scaffolds and Rigging in the Workplace
- Erecting and dismantling overhead scaffolds in the workplace
- Erecting and dismantling falsework scaffolds in the workplace
- Erecting and dismantling shoring scaffolds in the workplace
- Erecting and dismantling temporary roof scaffolds in the workplace
- Utilising provision of fall protection systems in the workplace

Pre-requisites for Candidates:

Scaffolders must have attended their 2-week CISRS Advanced scaffolding course and be able to provide evidence of the aforementioned in the form of certificates (unless you completed them at LTC Training Services Ltd in which case we will hold a copy on file).

Please be aware that the CISRS 2 day Skills Assessment must also be successfully completed before you are eligible to obtain a CISRS Advanced Scaffolder card.

Literacy and language comprehension are important requirements on all courses.

Any physical impairment or literacy issues should be discussed with LTC Training Services Ltd prior to making a booking so we can best accommodate your needs.

NVQ Assessors:

LTC Training Services Ltd currently has five qualified NVQ Assessors. Neil Gray, Neal Rogers, Carl Smith, Ryan Jago and Robert Martin. All five have many years industry experience and are fully qualified to carry our NVQ Level 2 & 3 Assessments.

Lunch and Refreshment Facilities:

Lunches will not be provided. However water, tea, coffee, fridge and microwave facilities are available in our canteen for your use free of charge.
