

CISRS Scaffolding Part 2

Course Duration: 2 Weeks

The law requires that any individual wishing to erect, alter or dismantle scaffolding must be able to prove their competency. The industry-wide accepted proof of competency for operatives is to hold a CISRS scaffolder card.

To be eligible to apply for this card, candidates must successfully complete the following 4 elements of training;

1. CISRS Scaffolding Part 1 course
2. CISRS Scaffolding Part 2 course
3. Level 2 NVQ Diploma in Accessing Operations and Rigging (Construction) Scaffolding
4. CISRS 1 Day Skills Assessment

Certification for all of the above courses will need to be attached to your CISRS scaffolder card application form for it to be issued. See the relevant course descriptions and our training route flowchart for further information.

The CISRS scaffolding part 2 course is suitable for adult trainees who have already completed and passed the CISRS Scaffolding Part 1 course and have had the recommended amount of further scaffolding experience (a minimum of 6 months) prior to commencing part 2.

Candidates must successfully complete the Level 2 NVQ Diploma in Accessing Operations and Rigging (Construction) Scaffolding and subsequently attend the CISRS 1 Day Skills Assessment prior to obtaining the CISRS scaffolder card – all of which can be completed at LTC Training Services Ltd.

Aims and Objectives:

The part 2 course is designed to train suitable candidates to the objectives approved by CISRS in the safe erection, alteration and dismantling of the following types of scaffold:

- Basic independent tied scaffold with prefabricated beams
- Protection fans
- Pavement gantry
- Loading bay
- Roof saddle scaffold
- Splay scaffold
- Roof edge protection
- Truss out scaffold
- Mobile access towers

By the end of the course:

- The trainee operative will be able to interpret scaffold drawings
- The trainee operative will be able, as a member of a team, to erect, alter and dismantle the following scaffolds safely and in their correct sequence
- The 'scaffolder' grade and VQ2 assessment is the established trade competency for the scaffolding industry and enables scaffolders to lead or partake in the majority of scaffolding operations, as covered by this training and assessment

Course Content:

- SG4:15 instruction training and rescue procedures
- Erection/dismantle of scaffold with prefabricated beams
- Erection/dismantle of protection fans
- Erection/dismantle of pavement gantry
- Erection/dismantle of loading bay
- Erection/dismantle of roof saddle
- scaffold
- Erection/dismantle of splay scaffold
- Erection/dismantle of roof edge protection
- Erection/dismantle of truss out scaffold
- TG4:19 tie testing
- Mobile aluminium towers
- 50 question test paper

Pre-requisites for Candidates:

Candidates must have successfully completed a Scaffolding Part 1 Course and had (a minimum of) a further 6 months scaffolding experience before attending their Part 2. We will require a copy of the candidates Scaffolding Part 1 Certificate as proof of your training (Unless the Scaffolding Part 1 Course was completed at LTC Training Services Ltd in which case we will hold a copy on file).

Literacy and language comprehension are important requirements on all courses. Any physical impairment or literacy issues should be discussed with LTC Training Services Ltd prior to making a booking so we can best accommodate your needs.

NVQ Diploma Level 2 Options:

NVQ Assistance sessions are built into the content of the 2 week course.

Candidates are given the option to pay an initial **non-refundable deposit payment** of £300.00 towards their NVQ Diploma qualification prior to the start of/during their Part 2 course (total cost £511 + VAT plus £82 NVQ Registration Fee: total cost, including VAT, £695.20)

This will enable us to register the candidate and issue their NVQ Portfolio which they'll take away and continue to complete in their own time in the usual manner. The **remaining balance** of the NVQ will be due 3 months after the invoice is raised and no further work will be carried out by our NVQ Assessor until the remaining balance has been paid.

Please see the 'Level 2 & 3 NVQ Payment Options' information sheet for further details.

Training Location Options:

Due to the nature of this training course i.e. that it involves the physical erection of live scaffold structures it is held only in our CISRS Accredited Training Centre located at our head office in Plymouth, Devon.

Course Start Time:

Course starts at 8.00am and finishes at approximately 5.00pm each day.

Course Instructors:

Neil Gray - Neil is a CISRS Advanced Scaffolder & Advanced Inspection card holder and has worked in the industry for many years. He started as a Scaffolder and later progressed to Supervisor and then Contracts Manager level. He now works as our Senior CISRS Scaffolding Instructor, delivers PASMA Aluminium Tower Training as well as holding the NVQ Assessor qualification and acting as a company Health and Safety Advisor having achieved the NEBOSH Construction certificate.

Rob Martin – Rob is a CISRS Advanced Scaffolder having worked for our Scaffolding Division in the role of Scaffold Site Supervisor for a number of years. He is now a full time CISRS Scaffolding & IPAF Instructor, qualified First Aider, holds the NVQ Assessor qualification and continues to work towards additional Instructor qualifications.

Certification:

Certificates are included in the cost of this course and are produced by LTC Training Services Ltd. They will be forwarded to the customer once payment has been received in full. The certification for this course has no expiry date.

Equipment:

You will be required to wear PPE (Personal Protective Equipment) during the practical aspects of your course. LTC Training Services Ltd will provide you with a harness and lanyard for your use during training. You will be required to bring with you your own hard hat, safety boots, high visibility vest and tools (1 x 7/16 swingover spanner, 1 x belt and frog, 1 x level and 1 x tape measure).

Lunch and Refreshment Facilities:

Lunches will not be provided. However water, tea, coffee, fridge and microwave facilities are available in our canteen for your use free of charge.

Accommodation and Transport:

Candidates are required to organise and pay for their own accommodation and transport should it be required. A list of local accommodation can be provided on request.

Number of Candidates per Course:

A maximum of 9

CITB Grants:

LTC Training Services are able to claim £500 per candidate as long as you have a CITB LEVY number
