

HAKI System Scaffold Product Inspection Training (SSPTS)

Course Duration: 1 Day

Aim and Objectives:

This course is intended for persons responsible for inspecting basic HAKI scaffold structures as described in the HAKI Ltd user manuals and who are required to complete reports in accordance with the Work at Height Regulations 2005.

To give the attendees the knowledge required to enable them to understand how to inspect HAKI scaffold structures in accordance with the Work at Height Regulations 2005 and the HAKI manufacturers user manuals.

Course Content:

- Introduction and welcome
- Legal Overview
- Industry Performance Standards
- General Principles
- HAKI Components
- Structures
- Design Appreciation
- Damaged Stock
- Role of the Inspector
- Statutory Scaffolding Inspection
- Theory Test
- Practical Test

The successful achievement of the above training objectives will be demonstrated using the following assessment methods:

- Theory test to assess trainees' comprehension of course
- Practical Inspection and Report

Pre-Requisites for Candidates:

Candidates wishing to attend the Haki system inspection training must hold:

- CISRS Basic Scaffold Inspection (BSI) or CISRS Advanced Scaffold Inspections (ASI) card.
- CISRS Scaffolder or CISRS Advanced Scaffolder Cards endorsed with the Inspection Module of the CPD

Note: Existing cards will be endorsed: CISRS Basic Scaffold Inspection cardholders will only be able to inspect basic structures. If a basic scaffold inspection cardholder, then progresses to advanced inspector status, their new card will be endorsed with this training, they will not need to attend a further course.

Literacy and language comprehension are important requirements on all courses.

Any physical impairment or literacy issues should be discussed with LTC Training Services Ltd prior to making a booking so we can best accommodate your needs.

Training Location Options:

This training is carried out at our Venn Farm, Cullompton, EX15 1QN Training Centre.

Course Start Time:

All courses unless agreed otherwise will commence at 8.15am.

Certification/CISRS Card Endorsement Application:

Certificates are included in the cost of this course and are produced by LTC Training Services Ltd. They will be forwarded to the customer once payment has been received in full.

PLEASE NOTE: The application for the CISRS Card Endorsement must be made by the training provider.

Please note that it will be the responsibility of the candidate and not LTC Training Services Ltd to book and pay for any Health, Safety & Environment test if required.

Equipment:

You will be required to wear PPE (Personal Protective Equipment): high visibility vest, safety boots and hard hat.

Lunch and Refreshment Facilities:

Lunches will not be provided. However, water, tea, coffee, fridge and microwave facilities are available in our canteen for your use free of charge.

Accommodation and Transport:

Candidates are required to organise and pay for their own accommodation and transport should it be required. A list of local accommodation can be provided on request.

Number of Candidates per Course:

A maximum of 12

Refresher Training:

SSPTS Training has no expiry date. Candidates must however renew their CISRS card with Haki inspection endorsement every 5 years.

CITB Grants:

CITB Levy registered customers can receive £140.00 per delegate for successful achievement of the course. LTC Training Services will claim this on your behalf, please ensure you have provided us with your levy number.
