

## **Level 3 NVQ Diploma in Accessing Operations and Rigging (Construction) Scaffolding**

The Level 3 NVQ Diploma in Accessing Operations and Rigging (Construction) Scaffolding and Offshore Scaffolding is aimed at qualified scaffolders wishing to attain a Level 3 qualification (Advanced).

To be eligible to apply for a CISRS Advanced Scaffolder card, candidates must have held a CISRS Scaffolder card for a minimum of 12 months and then successfully complete the following 3 elements of training;

1. CISRS Advanced Scaffolding course
2. Level 3 NVQ Diploma in Accessing Operations and Rigging (Construction) Scaffolding and Offshore Scaffolding.  
(Minimum of 6 months Scaffold experience since completion of the advanced course)
3. CISRS 2 Day Skills Assessment

### **Aims and Objectives:**

To gain a formal level 3 qualification and recognition of practical ability and competence recognised within the scaffolding industry.

### **Course Content:**

Assessment is done through the process of generating and collecting work based evidence from site in the form of a portfolio of evidence (photos, hand-over certificates, risk assessments etc). Our assessor will make a judgment against specified performance criteria as to whether an individual is able to demonstrate competence in the following areas:

- SG4:15 instruction/training and rescue procedure
- Health & Safety awareness
- Erect and dismantle tubular drop scaffold
- Erect and dismantle cantilever drop scaffold
- Erect and dismantle 3 chord raking shore scaffold
- 2 chord raking shore (theory only)
- Erect and dismantle dead shore scaffold
- Flying shore scaffold (theory only)
- Erect and dismantle temporary roof scaffold
- Erect and dismantle staircase scaffold
- Erect and dismantle ramp scaffold
- Erect and dismantle mobile aluminium towers
- Risk assessments and method statements
- TG4:11 tie testing
- 50 Question test paper

### **Pre-requisites for Candidates:**

Scaffolders must have a minimum of 12 months practical experience of scaffolding operations since attaining their CISRS scaffolders card, have attended their 2 week CISRS Advanced scaffolding course and be able to provide evidence of the aforementioned in the form of certificates (unless you completed them at LTC Training Services Ltd in which case we will hold a copy on file).

Please be aware that the CISRS 2 day Skills Assessment must also be successfully completed before you are eligible to obtain a CISRS Advanced Scaffolder card.

Literacy and language comprehension are important requirements on all courses.

Any physical impairment or literacy issues should be discussed with LTC Training Services Ltd prior to making a booking so we can best accommodate your needs.

### **NVQ Assessors:**

LTC Training Services Ltd currently has four qualified NVQ Assessors. Neil Gray, Robert Martin, Ryan Jago & our Lead Assessor Tony Whiteman. All four have many years industry experience and are fully qualified to carry our NVQ Level 2 & 3 Assessments.

Tony Whiteman's contact details for your records (for any queries in relation to the completion of the NVQ qualifications);

**Email:** [tony.whiteman@ltctrainingservices.co.uk](mailto:tony.whiteman@ltctrainingservices.co.uk)

**Mobile:** 07825 785793

### **Lunch and Refreshment Facilities:**

Lunches will not be provided. However water, tea, coffee, fridge and microwave facilities are available in our canteen for your use free of charge.

### **Suggested Follow on and Complementary Courses:**

- CISRS 2 Day Skills Assessment
